Tune-Up Session

May 23, 2019
1:00 - 4:30 p.m.
Thunder Bay Counselling
\$40 per person

This session is for participants who have previously attended a two-day ASIST 11 workshop for the purpose of consolidating and refining learning. It helps improve comfort, confidence and competence in using the tools taught in ASIST 11. People who have completed a 2-day ASIST course can check their workbook or the Quick Reference tool they received to find out if they participated in ASIST 11. Participants in previous versions of ASIST are best served by attending the two-day ASIST 11 workshop.
