

**Part-Time, Full-Time, and
Clinical Affiliate Opportunities**
(Independent Contracting)

Counsellors

Counsellors provide therapeutic and evidence-informed interventions for individuals, couples and families. Counsellors' areas of focus vary and there are currently opportunities with our Employee and Family Assistance, Gender Based Violence and Ontario Structured Psychotherapy programs, as well as through our programs supporting people on probation and parole. Issues addressed include abuse (physical, sexual and emotional), trauma, stress, anxiety, depression, emotional regulation, relationships and grief and loss.

Join Our Team

Thunder Bay Counselling is a community-based organization that is widely respected for its progressive work environment and forward thinking approach; from clinical practices and new technologies to flexible work arrangements and career development opportunities, Thunder Bay Counselling provides a supportive working environment with competitive compensation and benefits. With an expansion in services, we are currently looking for counsellors who are interested in full-time, part-time or independent

contractor opportunities. We'd love to work with you to create an agreement that works best for you! Services are provided in-person in Thunder Bay.

Please contact Allane Danchuk, Director of Business and Finance, to discuss opportunities that may be available to you based on your areas of interest.

Independent Contractor Opportunities

As a member of our network of Clinical Affiliates, you will be offered flexible contract opportunities that will be adapted to fit your personal or other employment responsibilities. Your caseload as a Clinical Affiliate will be determined by you, based on your availability and other commitments. This opportunity is highly suited for individuals who are seeking a complement to their current job or for retired practitioners who are ready for a new challenge.

To be eligible, you must independently be insured for professional liability, have equipment needed to provide the service (including a telephone with confidential voice mail, email and equipment that supports video conferencing), and confidential office/working space.
