Partner Assault Response Program (PAR) Group Co-Facilitator

About PAR

The Partner Assault Response (PAR) program provides a community-based 12-session group program for court mandated intimate partner violence offenders from the criminal courts in Thunder Bay. The program provides a safe space for individuals to explore their beliefs, attitudes and expectations.

Each PAR group is co-facilitated by two facilitators, ideally of different genders to support diverse perspectives. As our current team includes female facilitators, we are currently seeking male-identifying applicants to complement our groups. Groups currently occur on Tuesday and Wednesday evenings although scheduling is subject to change.

Qualifications

- A university degree or college diploma in a relevant human services field
- Knowledge regarding partner abuse and the dynamics of violence/abuse
- A general understanding of the policies and procedures of police, Crown attorney's office, courts, probation and parole as they relate to domestic violence
- Competence in group educational curriculum delivery

Rate of Reimbursement

The rate of reimbursement is \$75 per group hour. The rate is inclusive of any administrative tasks associated with the provision of the group, both before and after each session.
